

When Do the Tariffs Drop?

The honest UK-GCC timeline

WHERE IT SITS

Concluded Is Not Live

Concluded in May 2026 means the shape is agreed. The legal text still has to be finalised and ratified by the UK and all six Gulf states.

— TWO SPEEDS

The Sides Switch On Differently

- UK side: tariffs off nearly all Gulf exports, day one
- Gulf side: around 93% of UK exports, phased over 10 years
- No firm in force date yet

THE OPPORTUNITY

The Waiting Room Is the Head Start

Ratification is slow. Building a position is slower. Start now and you are in motion the day the tariffs come off.

Start with a clear read on the market

Go or no go in five working days.
